CERTIFICAZIONE DI QUALITÀ

Quality Certification

Tutti i prodotti Ronda nascono all'insegna della qualità. Tutte le fasi industriali avvengono sotto rigorosi controlli, dall'arrivo della materia prima fino all'imballaggio. Ronda opera secondo le normative e gli standard internazionali più severi. La Certificazione di Qualità ISO 9001 ottenuta dall'azienda è una garanzia ulteriore dell'affidabilità dei suoi prodotti e delle tecnologie impiegate per costruirli. Gli articoli sono stati provati con riferimento, ove applicabile, alla norma ISO 7170 "Furniture - Storage units - Determination of strength and durability".

All Ronda products are conceived with quality in mind. All production stages are strictly controlled, from the receiving of raw material to the final packing. Ronda conforms to the most demanding international norms and standards. The ISO 9001 Quality Certification secured by the Company is a further guarantee of the reliability of its products and of the technologies employed in their manufacturing. Where applicable articles were tested with reference to the ISO 7170 Standard "Furniture - Storage units - Determination of strength and durability".

L'azienda si riserva il diritto di apportare modifiche e/o migliorie ai prodotti senza preavviso.

The company reserves the right to make changes and/or improvements to the products without prior notice.
